

Please Join Us!

Southside Community United for Change, Inc. (SCUC) is one of nearly 100 neighborhood organizations (*Directory 10/2005*) in the City of Peoria. SCUC provides a way for Southside residents to become involved in neighborhood and city issues, starting with their neighborhood. A “single” voice may only get a few results on a neighborhood issue, but a “collective” voice can have a huge impact on securing resources for the Southside community.

There’s a seat open for YOU!

“Making a Difference Together”

WHAT IS THE KEY
ELEMENT OF A
SUCCESSFUL
NEIGHBORHOOD?

People like YOU...

It’s your
Neighborhood.
GET INVOLVED!

Mission

Established November 2013, SCUC boundaries encompasses almost 6,292 households in the 61605 zip code area. The organization's purpose is to enhance the livability of the Southside area by developing partnerships with community stakeholders to educate residents and implement sustainable activities and programs that address neighborhood problems and concerns.

SCUC provides a vehicle in which ALL members may actively involve themselves in the affairs of the neighborhood.

Southside Tool Library

The library loans tools to individuals and organizations who have completed a Tool Library registration process and are members of SCUC. Tools are loaned for a period of 1 to 7 days depending on the tool.

Tool loans are **FREE** except for gas powered machines. There is a \$5.00 fee to pay for gasoline. If a member returns a tool late there is a \$5.00 per day late fee. Loans are made to individuals on a first-come-first-service basis.

"You can donate tools today by calling 676-0608."

Why Not Donate a Little Time To Help Make Your Neighborhood A Better Place To Live?

SCUC members are everyday people just like you. They live on Peoria's south side. Some members are homeowners who have a long term investment in the neighborhood. Some are responsible renters who want responsible landlords who provide safe and livable rental properties. Others are businesses and agencies who have invested in the south side and put resources back into the community.

Regardless of if you are a homeowner, renter, agency or business owner, you can help make the Southside area a better place to live and work.

SCUC runs on Volunteer Power to get the job done!
